Circumnavigation of Tasmania

14-night expedition cruise | Coral Discoverer | Hobart round trip

Photography: Coral Expeditions – Port Davey, Tasmania

Discover Tasmania in remarkable depth on a small-ship voyage around the island. This comprehensive journey combines wildlife, history, offshore islands, regional produce and the extraordinary wilderness of Port Davey.

AT A GLANCE

Duration 15 days / 14 nights

Route Hobart round trip – full circumnavigation

Ship Coral Discoverer – up to 72 guests

2027 departures 6 February, 20 February and 6 March

Highlights Flinders Island, King Island, Port Davey, Maria Island, Freycinet, Bruny Island

Your expedition itinerary

Day 1 | Hobart embarkation

Board Coral Discoverer, meet your expedition team and sail from Hobart along the Derwent River.

Maria Island

Explore Darlington's convict-era heritage, wildlife habitats and coastal walking trails. Look for wombats, wallabies and seabirds.

Freycinet Peninsula & Wineglass Bay

Discover pink granite peaks, sweeping beaches and scenic walking opportunities in Freycinet National Park.

Flinders Island

Explore Bass Strait island landscapes, Trousers Point and the island's rich cultural and maritime heritage.

Kent Group & Deal Island

Subject to sea conditions, step ashore to discover historic lighthouse heritage and remote island walking tracks.

Tamar Valley & Launceston

Travel along the Tamar River and discover the region's historic towns and local food and wine culture.

Stanley

Explore this picturesque north-west coastal town, dominated by The Nut, and learn about early settlement at Highfield.

King Island

Discover rugged beaches, maritime stories and renowned local produce on this remote Bass Strait island.

Western Tasmania scenic cruising

Cruise past the remote and dramatic west coast, with ancient wilderness and exposed ocean scenery.

Port Davey & Bathurst Harbour | Two days

Explore Tasmania's south-west wilderness. Potential activities include tender cruises, walks and kayaking around sheltered waterways and Melaleuca.

Bruny Island

Visit Adventure Bay, with potential coastal walks towards Fluted Cape or Grass Point.

Tasman Peninsula & Port Arthur

Discover towering dolerite sea cliffs, Fortescue Bay, regional food and wine, and the historic Port Arthur settlement.

Day 15 | Return to Hobart

Disembark in Hobart following breakfast; confirm onward transfers and timings with BlueSun Cruises.

BlueSun Insight

For travellers with two weeks available, this is the most comprehensive Tasmania itinerary in the Coral Expeditions collection. Its combination of Bass Strait islands, Port Davey wilderness and heritage-rich ports makes it distinct from the shorter Tasmania cruises.
