COASTAL ADVENTURES TASMANIA

Explore Tasmania’s wild coast

Discover Bruny Island, Maria Island, Freycinet National Park and the remote wilderness of Port Davey on a six-night expedition cruise aboard Coral Discoverer. Enjoy guided walks, wildlife encounters, kayaking and relaxed small-ship hospitality.

AT A GLANCE

SHIP Coral Discoverer (up to 72 guests)

ROUTE Hobart round-trip | DEPARTURE 14 January 2027

DAY 1 | HOBART – EMBARKATION

Board Coral Discoverer in Hobart. Meet the expedition team, settle into your stateroom and enjoy welcome drinks as the ship departs along the Derwent River.

DAY 2 | BRUNY ISLAND & ADVENTURE BAY

Explore Adventure Bay and Bruny Island’s dramatic coastline. Depending on conditions, choose a guided walk towards Grass Point or Fluted Cape, kayaking, paddleboarding or beach time.

DAY 3 | MARIA ISLAND

Discover Darlington’s historic settlement and Maria Island’s native wildlife, including wombats and wallabies. Walking options may include Fossil Cliffs and the Reservoir Circuit.

DAY 4 | FREYCINET NATIONAL PARK

Explore the beautiful Freycinet Peninsula and Wineglass Bay. Guided walking opportunities reveal pink granite mountains, white-sand beaches and coastal scenery.

COASTAL ADVENTURES TASMANIA

Into the Port Davey wilderness

DAY 5 | PORT DAVEY – MELALEUCA & CLAYTON'S CORNER

Enter the Tasmanian Wilderness World Heritage Area. Explore remote waterways and, conditions permitting, visit Melaleuca, learn about orange-bellied parrot conservation or discover Clayton's Corner.

DAY 6 | PORT DAVEY – BRAMBLE COVE & BREAKSEA ISLANDS

Continue exploring sheltered bays and dramatic mountain scenery. Possible activities include kayaking, a guided walk towards Mount Milner or expedition tender exploration near the Breaksea Islands.

DAY 7 | RETURN TO HOBART

After breakfast, farewell your fellow travellers and expedition crew before disembarking in Hobart, generally around 8:00am.
